

## **RELEASE MIGRANT CHILDREN FROM DETENTION Action:**

Let's ask our Members of Congress to sign on to Rep. Murraray and Rep. DeLaura's [letter](#) which shared their concerns about unnecessary confinement, the lack of social distancing in these facilities, and the Office of Refugee Resettlement's (ORR) slow pace in reuniting children, who should not, by law be in custody for more than 20 days, with families and sponsors. We need to also ask our Congressmen to put pressure on ORR to follow the recent court ruling and release these children immediately.
